

## 1921 census for Isle Abbots: RG15/30711288, part of Langport District 12.

In this census there is new information on where people worked (their exact employer). There were 49 households visited by the enumerator and you may be able to follow his path through the village. There were 94 males (*98 in 1911*) and 95 females (*106*): total population 189 (*204*). 57 men and boys were working on 8 farms - Two Bridges, Manor, Brome's, Northalls, Woodlands, Higher Woodlands, Broadfields and School Farm. The Agricultural Implements forge run by three generations of the Tapp family at Colliers was still going as the only other source of employment in the village. There were 29 children at the village school.
