

## Hire charges for Isle Abbotts Village Hall

Effective 1<sup>st</sup> December 2025, as agreed at our committee meeting on 11<sup>th</sup> November 2025.

There will continue to be two types of hall hire chargeable as follows:

- a) **Limited use of Hall facilities:** timespan of approximately 2 hours; light use of kitchen (teas and coffees); suitable for regular bookings like choir sessions, exercise groups, quiz evenings but also occasional events such as visiting speakers or workshops.

**April to September**

£10.00 per hour for villagers

£12.00 per hour for non-villagers

**October to March**

£11.00 per hour for villagers

£13.00 per hour for non-villagers

- b) **Extended use of Hall facilities:** timespan 3-6 hours; full use of kitchen, tables, crockery and cutlery and garden, ideal for celebratory or fundraising events. It is understood that in practice big events usually need extra time to set up and decorate the room as well as clean up next morning. Such time is difficult to monitor and invoice, so it was agreed to level a flat rate per event. Should hirers need more time charges may be negotiated.

**April to September**

£65 per event for villagers

£90 per event for non-villagers

**October to March**

£70 per event for Villagers

£100 per event for non-villagers

**Polling day** use is currently fixed at £200.00

The seasonal increases (October to March) of approximately 10% have been put into effect to cover additional costs of lighting and heating over the winter months. **April to September rates remain the same.** We believe these proposals are fair and we hope to continue to meet the villagers needs and enjoyment of the hall facilities.

To book, please contact Claire Smith on 07774 576009 or [badburybarton@gmail.com](mailto:badburybarton@gmail.com)
